

How to access the BFER Collaborative Funding Whiteboard

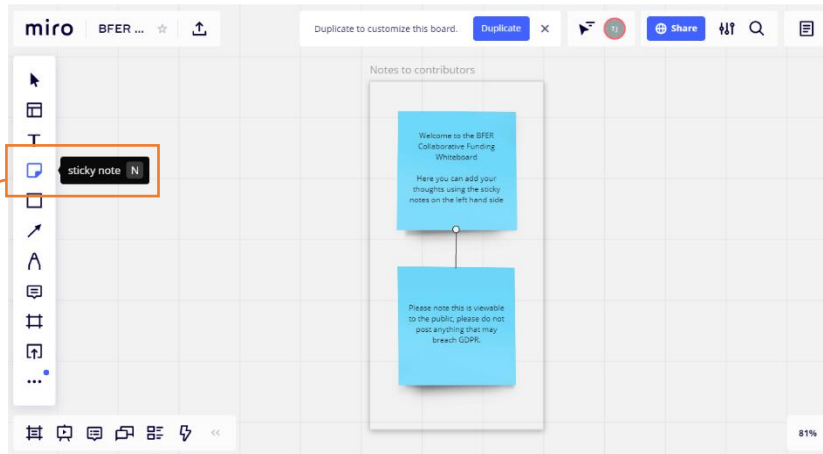

Head over to <https://brecks.org/bfer/projects/working-waters-heritage-skills-for-the-future/3-5-supporting-sustainability/>

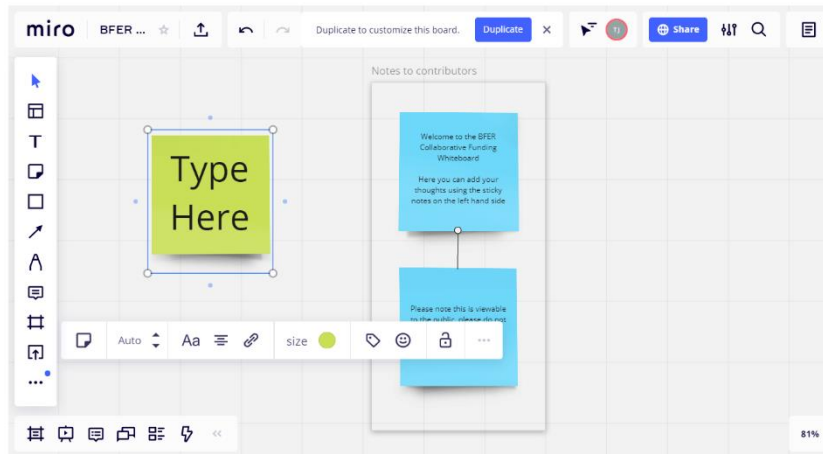

- At the bottom of the page will be the whiteboard and to edit you will need to email us
- Once we have given you permission click 'See the board' to access

- To edit and contribute to the whiteboard you will need to sign up for free
- Once you have signed up you should have access to edit on the board, please note this board is viewable by the public so please do not post anything that would breach GDPR.

- On the left hand side you can click the sticky note icon (shortcut N), select a colour and place the sticky note anywhere on the board.

- Once you place the sticky nite anywhere on the board you are free to type your thoughts and create discussions.
