TOM JUGGINS

Project Support Officer

DESCRIBE YOUR JOB IN FIVE WORDS...

OUTDOORS| DIVERSE| DATA| CREATIVE | TECHNICAL

WHERE DO YOU WORK?

THE BRECKS FEN EDGE & RIVERS LANDSCAPE PARTNERSHIP

WHAT DO YOU GENERALLY WEAR TO WORK?

I usually wear trainers, jeans and our branded t-shirt. I sometimes swap my trainers for walking boots if we are out and about in the Brecks.

WHAT ARE THE CHALLENGES?

Challenges can be from managing my to do lists and jumping from a variety of different tasks to video editing to financing.

WHAT DO YOU ENJOY MOST ABOUT YOUR JOB?

My passion is photography and video and I love having the opportunity to take photos of our project across the Brecks, events that are happening and the landscape around us. I have also created a few short films for the project, and I have learnt new filming techniques from doing so and this has been the most rewarding.

WHAT IS A TYPICAL DAY LIKE?

My typical workday involves monitoring our project emails, processing invoices and posting content to our social media pages. As I am the tech guy for our project, I take photos of our project work, creating short films and flying our project drone.

What is a general career route for this job?

This job role would suit someone looking to get into environmental/heritage work.

What skills and attributes did you need to get the job?

This role could be considered an entry position but knowledge of finance and communication skills would be useful as well as understanding social media platforms.

What advice would you give someone interested in this type of job or career?

Being a people person and someone people can rely on would be very beneficial as you would need to be there to help people at short notice.

Having new ideas to bring to the business.
